Dear Sir or Madam,

I am very pleased to write this letter of recommendation for Xu Hongduo in support of his M.D. application for your institution.

Mr. Xu proves to be a student of above-level intellect, which I can get from his performance in each presentation. I am certain of his conscientious attitude and diligence in the project of Research and Development of Multimodal Assessment and Intelligent Rehabilitation System for Elderly Cognitive Impairment.

Hereby, I would recommend him for the continued learning of machine learning without reservation. If you have any queries, please don't hesitate to contact me at zengguang.hou@ia.ac.cn.
